The Comfort Killer,

Cross

I believe that getting uncomfortable is the only way one can reach success. Fear gets in the way of us living powerful lives, one that gets us from point A to point B. I am dedicated to teaching millions how to get uncomfortable. This is a quick course on how to start taking action!

1. STOP WATCHING T.V

Your television is not making you rich – It's actually taking away from you reaching your goals and success. Can you call the cable company right now and have them cancel it? Do it RIGHT NOW!

begin to begin even if it ends an ending

2. TAKE A WALK

The universe is waiting for you to change, grow and create a better life. Go take a walk and think about the life that you want to create. Nature welcomes you and gives you creative ways to do it!

3. READ A BOOK

Great individuals have left clues of easier ways to change your life. These clues can be found in books. If you don't like reading, good – then listen to an audio book. Gain as much knowledge – take success!

**CHANGE IS AN ADAPATABLE,
VIBRATED AND INEVITABLE THING.
ENCORAGE IT.
YOU WILL BEGIN TO SEE ITS BENEFITS
THROUGH OPPORTUNITY.**

4. WRITE YOUR GOALS

Write down your top 3 goals right now. Make them ultra scary, make them almost sound impossible to anyone reasonable. The first step to getting uncomfortable is to punch fear in the face – DO IT!

SUCCESS IS THE PROGRESS

keep at it everyday & in time
THE COMPOUND EFFECT OF
ACTION
WILL BLOSSOM INTO ABUNDANCE!

5. GET A TUTOR

You need to learn how to be a student again. Why don't you get off your ass and learn something new. Hated math in school? Go get a math tutor. Learn to play the piano. Learn a language, get excited again!

Just recording this testimony with her increases my willingness to do more and be a better friend. She seen me at my worst and now she has the opportunity to see me at my best and work with millions of people across the globe. Debbie currently lives with me so she is able to get my teachings first hand and I am happy to constantly give her the highest quality just as I would give you!
